

Camp Update as of 7-19-21

We have several topics in this update, so please be sure to read the entire message.

1. Christmas in July:

- Come enjoy Pancakes with SANTA!!! **Saturday, July 24th from 8-10:30 am in the lodge.** Make sure to bring your camera!!! All children in attendance will receive a surprise from Santa! For \$4.00 per person, you get breakfast and Santa!!!. Volunteers needed, please sign up in the lodge or send an email the camp at campoffice@campdelton.com.
- Christmas Decorations at each camp site are highly recommended. Let's bring Christmas in July to the entire camp!!!
- Christmas movie to be played on Saturday night, please check in the lodge for time and location. We will be serving Popcorn!! Bring your own beverages!!!
- Make sure to pick up a Christmas coloring sheet in the lodge! After your child (or you) have colored it, bring back to lodge so we can put it on display and help decorate the lodge with some great Christmas art work!.
- Guess how many candy drops are in the jar with out going over the total and win a great prize!!! Jar will be located in the lodge shortly.

2. Audit Committee:

We are also looking for a group of members interested in helping with an internal audit. The audit will consist of reviewing financial transactions to ensure the camp maintains integrity of its financial processes and payments. This is your opportunity to become involved in the behind the scenes business functions of the camp. The audit will take place on Saturday, July 31st. It will start at 9:00 in the lodge and last until the audit is complete. The more people that volunteer will mean the process will go more quickly for everyone. Lunch will be provided. If you are interested in participating in the internal audit, there will be a sign-up sheet in the lodge. Your participation is greatly appreciated in advance. We look forward to seeing you there.

3. Dells Restroom & Roads Committee

An ongoing topic at the last few board meetings has been the deterioration of the Dells Village restroom and laundry facilities. In order to maintain guest sites in the camp, we need to make sure we have working facilities available for guests to utilize. Some action will need to be taken to repair or replace the current structure which will be a large expenditure for the camp. We would like more members to be a part of the research and preparation. Please sign up in the lodge to be a part of updating the camps infrastructure.

4. The votes have been counted and Camp Delton's next Board of Directors is as follows:

- President: Eddie Mallionen
- Vice President: Brian Wachowiacz
- Secretary: Rich Marshall
- Treasurer: Audra Arndt

- Buildings & Grounds: Roland Eisch
- Membership: Heidi Helm
- Personnel: Corey Holland
- ByLaws & Insurance: Sue Whitaker
- Activities: Tammy Pfannerstill

The new board members will take their positions at the September 2021 Board Meeting.

Please Volunteer and help keep the camp going. Without volunteers, activities cannot happen, and camp committees miss out on valuable input from members. So, please sign up in the lodge or send an email to the camp at campoffice@campdelton.com . Remember, this is your camp and we want your input!!!

Thank You in advance for all your support,

The Camp Delton Club Board of Directors
