

September 28, 2021

Hello Members,

Over the last couple of years, the Articles of Incorporation, Bylaws and the Rules and Regulations have had numerous updates. Per our bylaws all members must have access to these updated documents. A hard copy of these documents are available in the lodge to all members or they can be downloaded from the camps web site.

A new rule was approved on September 18, 2021, stating: Members that have elected to have hard copies of all camp correspondence mailed, will be invoiced the total cost for any mailings that require extra postage. Members with more than one site will receive one hard copy of each document.

We currently have 18 members that have been identified with no access to email and will receive a hard copy of these documents at no cost to them.

We also currently have 119 members that have previously elected to receive all camp correspondence via hard copies. The cost to mail these three documents is approximately \$3.00. This cost will be invoiced to each of these 119 members. If you do not want to be invoiced, send an email to the camp at campoffice@campdelton.com stating you do not want a hard copy mailed to you, and that you will download from the web site or will pick up copies in the lodge. This email must be received by the camp office no later than October 14, 2021. If no email is received, we will mail your documents and you will be invoiced.
